THE “CROSSOVER CLUB” Program – This new program is intended for Learn to Skate participants who are interested in additional practice ice/private lesson time while trying out our Figure Skating Club. Held Saturdays from 3:20pm-3:50pm, the program will offer 15 minutes of private (or semi-private) lesson with 15 practice minutes for a total of 30 minutes of ice time. This new program is held during our Figure Skating Club freestyle practice ice, at a discounted ice rate and will include a skating program to music, discount off our annual show fee, inclusions in special exhibitions, eligibility to compete in local competitions (if interested), being invited to club events, and option to purchase a club jacket!

Join the program with a skating friend for a “semi-private” lesson and split the cost of the coaching fee!! ADDED BONUS: Skaters in this program can also come to our club ice session on Mondays or Wednesdays (held at 3:50pm) and skate 30 minutes for only \$10!...a great opportunity to add to your practice at a great rate!
